PavDWPalatRpt-DetailedCmnts-v1.1.docx

Joan Martin asked me to go ahead and send these to you.

**Ex. 5 - Deliberative Process**

**Ex. 5 - Deliberative Process**

He is continuing to review while on the road, and may have some additional suggestions, but it is ready for your review and, if you and Shaun are comfortable with it, ready to share with our co-reviewers. Let me know if you have any questions. Based on this document, I will make any minor tweaks to the short summary to harmonize the two documents and add the annotations.
